A word from *Barb Schulte*

Years ago, a mentor told me,

"Make cutting clean in the middle of the pen should always be your TOP priority.

Your potential to have a winning run, or an in-the-money run, goes through the roof when you make pretty cuts!"

I never forgot that sage advice, but it's easy to get wrapped up in other things and forget how critical making clean cuts really is. Here are a few of the many important reasons why clean cuts matter:

- Ω Your horse starts working the cow in a controlled way (and doesn't begin over-excited and reactive to you or the cow).
- Ω You ride grounded in your seat and stay mentally calm from the get-go.
- Ω The cow is aware of your horse and impacted by your presence (instead of reacting randomly because she's surprised by a horse who suddenly appears out of nowhere and on the run).
- Ω You increase your score with gorgeous cuts. Your ability to make clean cuts can significantly up your score. That huge deal is under your control.

If you start your run out of control or out of sync, getting the entire situation back under control is difficult. Seven years ago, I created a video training series called "Beautiful Cuts." I originally released it digitally, and in a DVD format.

That information is timeless. Making a good cut is the same today as it was then - and it will always be.

I broke making cuts down into 3 time windows. Each builds on the one before:

- Ω Your approach to the herd (before you enter it)
- Ω Your set up of a clean cut (by what you do while walking through the herd)
- Ω Your completion of the cut (quiet, clean, and in the middle of the pen)

Next, I have two important news updates:

Recently, our office invested in state-of-the-art, user-friendly course software. I'm so excited. In the future, all of our online courses will be housed in one place. If you join us for a course or webinar series, we will add that program to your personal library. It will be forever simple to access any training you take from us by simply opening your library - again, all in one spot. No more separate websites with separate passwords. Woohoo!

I have uploaded Beautiful Cuts into this new software because it truly is the most detailed training program for making gorgeous cuts available to you - anywhere.

Barbra gave a FREE Beautiful Cuts Workshop in August using video demonstrations of the points. This was extremely detailed, offering lots of concrete tips. Be sure to sign up for her emails to receive timely notice of Barb's events!

The three modules of the original Beautiful Cuts program are available at

BarbraSchulte.teachable.com.

See you in the replay!

THE ORIGINAL ALL-IN-ONE SUPPLEMENT

IRISH CREEK

YOU CAN HELP FIND OUR 2021 SPONSORS!

As you know, we offer \$499 added money classes each day in the Open, Non-Pro, 5K Novice and the 5K Nov NP, as well as \$299 added in the 25K Nov and \$200 added in the 50K Amateur and 25K NH NP.

However, we cannot do this without our generous sponsors.

We are extremely grateful to everyone who has sponsored us in the past, and we would love to continue growing our PCHA community!

We offer a variety of sponsorship packages providing visibility and access to our PCHA events and members. This can include banners hung up at shows, social media shout outs (we have over 1.7k followers on Facebook alone), class naming rights, show announcements, or logo displays on the website and in our monthly newsletters.

You can help PCHA grow our sponsor network by...

- Ω Reaching out to businesses you think would benefit from having their name in front of avid cutters, and horsemen.
- Ω Rounding up a few fellow members to jointly sponsor a class together.
- Ω Considering sponsorship of a class in honor of the memory of someone who inspired you – or inspired some of our cutters throughout PCHA.

Check out the various sponsorship opportunities and sign up to become a sponsor @
